	Introduction	The introduction does not include a reference to the link for downloading code samples. The link, included on the back cover of the book, is http://aka.ms/InsideSP2013/files .	
	Throughout the book	In the first printing of this book, page numbering was not restarted after the front matter, so that the Table of Contents is off by 20 pages for the first 372 pages. After page 372, the numbering restarts at 353 and the Table of Contents starts to match again until Chapter 16, when it slips by a couple of pages again. Pagination was corrected in all later printings.	11/21/2013
