Start Here!™ Learn JavaScript

Steve Suehring

ISBN: 978-0-7356-6674-0

First printing: September, 2012

To ensure the ongoing accuracy of this book and its companion content, we've reviewed and confirmed the errors listed below. If you find a new error, we hope you'll report it to us on our website: www.microsoftpressstore.com/contact-us/errata.

Page	Location	Description	Date corrected

34	Top of page, second line of code block	Reads:
		alert(isNan(userInput));
		
		Should read:
		alert(isNaN(userInput));	

35	Second code block	Reads:
		var myString = "Test String";
		myString.length; // returns 10
		
		Should read:
		var myString = "Test String";
		myString.length; // returns 11	

108	Step 6 code block	Penultimate line of code reads: <script type="text/javascript" src="external.js"></script> Penultimate line of code should read: <script type="text/javascript" src="js/external.js"></script>	
108	"Preventing the Default Action" section, first paragraph, last sentence	Reads: You can find the code for this example in click.html and click.js in the companion content. Should read: You can find the code for this example in click2.html and click2.js in the companion content.	
147	Step 3 WebForm1.aspx example	Penultimate line reads: Dim str = "{ ""Temp"": """ & outputTemp & """ " & _ " ""TempType"": """ & outputTempType & """ " & _ "}" Penultimate line should read: Dim str = "{ ""Temp"": """ & outputTemp & """, " & _ " ""TempType"": """ & outputTempType & """ " & _ "}"	

Page	Location	Description	Date corrected
175	Space Travel Demo code block	The code for the space travel demo differs from that in the downloadable companion content. Specifically, the downloadable index.html for Chapter 7 needs to be changed to point to css/StyleSheet1.css. You'll also need the correct theme for jQuery UI. The author used ui-lightness, which needs to be in the css directory. That may differ depending on your jQuery UI version and theme.
